SANTOSH YADAV
Versus
STATE OF BIHAR

2. 16.7.2008 Heard.

The allegation is of poisoning the deceased to death who had very strained relationship with the petitioner and others. The rejection order makes a reference to one particular statement of the Medical practitioner of the village indicating that the deceased was administered eldrin which is highly poisonous and obnoxious. The contention is that one could not be forced to have the eldrin administered when the relationship is bad.

Regard being had to the relationship which was bad from the very beginning and considering the allegation that it was by force administering of poisoning, let the above named petitioner be directed to be released from custody on their furnishing a bond of Rs. 10,000/- (ten thousand) with two sureties of the like amount each to the

satisfaction of the Chief Judicial Magistrate,
